Opmerking bij/Bemerkung bei 33; Het is maar de vraag of dit klopt; een zoon van een keuterboer die huwt met dochter van notabele uit Dingden, voorlopig is er geen andere Gerhard Kock/Bitters te vinden die hiervoor in aanmerking kan komen, van de 2 zonen zijn geen gegevens teruggevonden in de kerkboeken en/of burgerlijke stand van Groenlo. Opvallend is dat de herkomst van J.C.Hoffman terug gaat naar Rhede waar Arnold Kock bij zijn huwelijk te Dingden in 1670 de achternaam van zijn vrouw, Mechteldt Hoffmann, aannam. Hoffmann heeft enkele notabelen, zoals burgemeester van Dingden in de stamboom, ook M.A.G. Kock huwde een burgemeester. Nabestaanden van Maria waren zonder uitzondering hogere klasse met beroepen als notaris, arts, officier, raadslid, priester en advocaat. In Beltrum een straat vernoemd naar de echtgenoot van M.A.G.Kock. Volledigheidshalve is deze tak vermeld in de stamboom.
